

Criminal Background Check Resources

We extend our CBC vendor to providers for a fee of \$125 per person/check. We would need a copy of the supervising individual's driver's license and a processing form completed.

If you are interested, please make check payable to: Coordinated Family Care and return with processing forms and copy of the driver's licenses. Please contact Salma Harris, Business Medicaid Manager, for more information at 'sharris@coordinatedfamilycare.org'

Other sources:

- Identogo – Some providers have used this source. We are not too familiar with it.
- Criminal Watch Dog – www.criminalwatchdog.com Please opt for the most comprehensive report.
- The State of NJ, New Jersey State Police

Some of these are suggestions from varied providers over the years that have been shared with us. Please complete your own research before proceeding with the utilization of "Other sources" as CFC does not endorse or claim responsibility in any way for these services.
